Are you a member?

Benefits of being a member of the Society include free entry to the flower shows and a reduced admission fee for the monthly lecture meetings. The Society also organises occasional trips for members to shows, gardens and other places of interest at very special prices. Dependent upon the coronavirus situation, trips will be planned as soon as practicable.

Enjoy these benefits and be part of a very friendly group of like-minded people for an annual subscription of only £5.00 per person. Please contact any committee member if you would like to join.

SHOW SECRETARIES' MESSAGE

It is a great pleasure for us to be able to welcome everyone to Nailsea School for our 2022 Spring Show. We have been forced to cancel our shows for the last two years due to the coronavirus pandemic. We are very much looking forward to getting back to the normal arrangements for our Spring shows which have been held for the past fifty years.

The schedule we have used for the daffodil classes for many years has given a class for various possible colour combinations within the Divisions 1 and 2. This has served us well, but we think that the complexity of this arrangement might have discouraged new growers from entering these classes. We have therefore simplified the schedule this year, generally removing the requirements for different colour combinations. For the Division 2 blooms we have left separate classes for single coloured or bi-coloured entries as we think there will be enough competition to justify having separate classes. There are opportunities within this revised schedule to cover all different colour combinations and we hope that exhibitors will like this simplified arrangement. If you have any questions on this or any other aspect of the schedule, please get in touch – it's much easier to sort something out in advance rather than on show day.

Another important change this time is that we have changed the arrangements for handing in entry forms. Forms can either be returned to us as normal or can be handed in at the Nailsea Town Council office at 65 High Street, Nailsea between 9am and 4pm Monday to Thursday.

We look forward to meeting all our exhibitors again and seeing Nailsea School full of wonderful displays. If you are not exhibiting, please come along and support the show - enjoy the exhibits and have a pleasant afternoon with our raffles, stalls, prize draws and, of course, plenty of tea and cakes! The Filton Concert Brass Band will again be coming to entertain everyone. We would like to thank all our sponsors and advertisers for their support and hope that everyone enjoys the show.

Don't miss the Gardening Talks

After the restrictions caused by the pandemic when we held some meetings remotely via Zoom, we are now back to normal with our monthly talks in the URC Hall. They are always held on the second Wednesday of each month, starting at 7.30pm. A full programme for the rest of the year is set out on Page 11.

NAILSEA SUMMER SHOW - 6 AUGUST 2022

A date for your diary - the summer show will be held in Nailsea School on 6 August. We are sure that our exhibitors will again fill the school with a blaze of colour making it a very attractive venue for our show.

The Filton Concert Brass Band will be helping to create a traditional flower show atmosphere and there will be plenty of stalls and excellent home-made refreshments. The show will open at 12.00 noon and close at 5.00pm after presentation of the trophies. Come and enjoy yourself and help us to make the Show a success.
